

## COMMERCIAL & COST MANAGEMENT

Undertaking commercial and cost management within the current market is a major strength for HMP. Our range and diversity in the construction, retail, and governmental market sectors brings out the true multi-disciplinary skills we can offer to our clients.

### **“WE CHALLENGE THE STATUS QUO AND WORKING ASSUMPTIONS IN ORDER EXPLOIT COMMERCIAL OPPORTUNITIES FOR OUR CLIENTS”**

We have first hand experience in assisting Clients to help define, guide and shape corporate strategy and property business cases. Our expertise in dealing with suppliers and contractors during the construction phase, is a significant advantage for our clients.

Comprehensive cost analysis and risk management is the key to a successful project to ensure they are managed to budget.

### **“HMP WILL MANAGE COST AND NOT SIMPLY REPORT IT”**

We strive to expand and develop in response to the needs of our private and public sectors Clients to deliver best practice and value for money. We develop and implement both tried and tested and, where appropriate, new innovative solutions to all of the projects we work on.

Our involvement as commercial management consultants helps our clients to plan work more accurately and achieve cost efficiencies without compromising quality.

### **“A PRAGMATIC COMMERCIAL APPROACH TO MINIMISE RISK, INCREASE CERTAINTY AND TO MAXIMISE VALUE AND QUALITY”**
