Brief Description:

Hush Minoan were commissioned to work with Futsal UK on their second arena in the UK and their first in Wales.

Acting as Project/Cost Manager & CDMC helping to deliver the fit out of an existing industrial unit to provide a new facility to provide indoor football to all.

This is the second site in the proposed roll out of 30 arenas across the UK and HMP are proud to be part of this new multi million pound investment project

We are helping the client deliver their vision on time & to budget setting the benchmark for the framework agreements between the client & their supply chain. The innovative co-sourcing approach & partnering style has made HMP an integral part of the Futsal management team being involved in the wider operational phase of the roll out to give the client added value
