Brief Description:

Acting as Project/Cost Manager & CDMC helping to deliver the development of Adventure Golf centres across UK with Sidcup being first of 5 sites. On this particular site we are also helping the client to develop a standalone 3G football facility with new clubhouse to enhance their current offer of Driving Range, Retail Golf, Adventure Golf and Fishing.

Future site at Croydon and Glasgow are planned in the next 12 months as part of World of Golf's multi million pound investment project

We are helping the client deliver their projected roll out with focus on cost via 'open book' partnering style and overseeing CDMC and Project Programme to ensure best value for money for our client.
